

BANKING & INSURANCE BACHELOR OF COMMERCE

Department Profile:

The accelerated speed and emerging scope of banking & insurance activities has made it extremely crucial for educational institutions to select those students who are leaders & managers, who have mastered the latest concepts and practices and are also self-assured, self-motivated individuals, willing to take on any challenge in life.

Until now, traditional programed were imparted to graduate students from any stream like commerce & arts. That is until the Bachelor of Commerce with specialization in Banking & Insurance (BBI) was introduced by the University of Mumbai in 2003-04. N. G. Acharya & D. K. Marathe College of Arts, Science & Commerce started Bachelor of Commerce with specialization in Banking & Finance (BBI) in 2003. Realizing the needs of the banking & insurance industry, Our College has adopted its own style of teaching the programme to equip the students with the required skills at early stage of its inception. Sanctioned intake for BBI is 60 students. We have a expert panel of faculties in the dept. We offered skill set required to excel in the field of banking and insurance, The students gather knowledge in various areas like accounting, foreign exchange, investment ,risk management, derivatives, mutual fund, financial analysis etc. Additionally we facility internship for exposure to the real working areas

In addition to the traditional method of lecture we also include discussion, project base learning case study, field trips etc. We also conduct remedial lectures for ATKT students.-

Achievements & Activities

conducted by the department in 2022-2023 only with images- not more than 300 words (Annual programs/ Conference/ Workshop & Seminars Organized)

- a) IBPS- Coaching
