

# Foundation course Department

## Department Profile:

One of the Aims of our college is to lay the Foundation among our growing minds and this has been taken care by the Department of Foundation Course. Our college is privileged to have full-fledged Department of Foundation Course, which has been handled by well qualified Professors from the inception of our college in the year 1976. Foundation Course is an inter- disciplinary subject, which is compulsory for FY and SY classes of Arts, Commerce and Science. The subject has been handled by a number of well qualified competent Professors from different academic disciplines.

Our Mission “Giving Best Foundation (Base) to the students by preparing them for a long journey to their Successful and sustainable Life”.
