

BACHELOR OF COMMERCE (FINANCIAL MARKET)

Department Profile:

The accelerated speed and emerging scope of financial market activities has made it extremely crucial for educational institutions to select those students who are analysts & well versed in trading, who have mastered the latest concepts and practices.

Until now, traditional programme were imparted to graduate students from any stream like commerce & arts. That is until the Bachelor of Commerce with specialization in Financial Market (BFM) was introduced by the University of Mumbai in 2008-09. N. G. Acharya & D. K. Marathe College of Arts, Science & Commerce started Bachelor of Commerce with specialization in Financial Market (BFM) in 2011. Realizing the needs of the financial market, Our College has adopted its own style of teaching the programme to equip the students with the required skills at early stage of its inception. Currently sanctioned intake for BFM is 60 students.

At N. G. Acharya & D. K. Marathe College of Arts, Science & Commerce, our mission is to develop managers with a sense of passion, leadership, creativity and commitment. The BFM students are encouraged to develop the essential skills of effective technical analysis, accuracy & teamwork.

The students pursue knowledge hand in hand with the extra-curricular with the aim of developing complete individuals with strong personal values. This is done in the following way.

- Integrates industry interaction in the form of guest lectures, summer internships, industrial visits/ NSE/BSE visits, live projects, seminars, webinars.
- Develops trading skills and analytical skills through presentations and workshops during the lectures as well as well dedicated placement & career guidance team motivates students to participate in mock interview sessions & group discussions.
