## **ARTH-MANTHAN: 2025**

Dear Sir / Madam,

Chembur -Trombay Education Society's N. G. Acharya & D. K. Marathe College of Arts, Science & Commerce has been imparting higher education to the wards of the parents residing in the vicinity for the past 46 years. Our college is spread over 3.06 acres and has modern infrastructure including Amphitheatre (300 capacity) Astroturf for sports, Butterfly Garden, NCC Obstacle Course, 7 Computer Laboratories etc. Our college operates Acharya 90 FM, the first community radio station to broadcast 24/7 content in Mumbai. Our college is re-accredited in the 4th cycle by NAAC with an 'A' grade and was honored by University of Mumbai with the Best College in Urban area for the year 2015-2016. Our college offers 12 bachelor courses and 05 PG courses and has been recognized as Research Centre in Chemistry & Accountancy. More than 150 teachers, 100 admin staff are responsible for conducting these courses for more than 7800 students. We are also having study Centre for Yashwantrao Chavan Maharashtra Open University and Institute of Distance & Open Learning for Bachelors as well as Master's courses.

### **About Arth-Manthan**

A festival-based on Commerce and Economics related subjects was launched by our college 24 years ago and is first of its kind amongst colleges in Mumbai. Unlike many other college festivals that offer a little bit of everything, we decided to focus on enhancing student interest and enthusiasm towards Commerce, Economics, Accounts and Mathematics by bringing these subjects to life! That's how Arth-Manthan was born!

Arth-Manthan started in 2001 to celebrate 10 years of liberalization. We campaign for further opening up economy with a firm belief that it would lead India to finally reaching its tryst with destiny!

Arth-Manthan-2025 will be held on 10th February 2025. The theme of Arth-Manthan, **"Viksit Bharat@2047: Voice of Youth"**

**Capt. Dr. Sunil Kadam,**

I/C Principal

# VIKSIT BHARAT@2047: VOICE OF YOUTH

Viksit Bharat@2047 is India's ambitious vision to become a developed nation by 2047, marking the 100th year of its independence. In the history of India, the country is going to take a quantum leap during the Amritkaal . This ambitious vision encompasses four key objectives: **Economic Growth, Social Progress, Environmental Sustainability, and Good Governance.**

The government has launched the "Voice of Youth" initiative, empowering young people to contribute their ideas and shape India's future. With India set to lead the world in working-age population for the next 25-30 years, the government recognizes the importance of engaging youth in policymaking, empowerment, and innovation.

The "Voice of Youth" platform allows young people to share their aspirations and suggestions for a developed India, fostering a strong and united nation. As Prime Minister Narendra Modi emphasized, "Youth power is both the agent of change and also the beneficiary of change". For India, **this is the time, right time (Yahi Samay hai, Sahi Samay hai)**

The Viksit Bharat@2047 vision is built on four pillars: **Yuva (Youth), Garib (Poor), Mahila (Women), and Kisan (Farmers).** The government aims to create an "Amrit generation" that prioritizes national interest and civic sense.

## Global Leaders Meet

## Poster Competition

### Unleash your inner artist.

#### Theme: Fintech Revolution

FinTech has the potential to reshape the financial services and financial inclusion landscape in India in fundamental ways. It can reduce costs and improve access and quality of financial services. We have to strike a subtle balance between effectively utilizing FinTech while minimizing its systemic impacts. A significant aspect of the fintech revolution in India is the India's stack, a comprehensive unified digital public infrastructure (DPI). Aadhar, Jan Dhan, and mobile connectivity form the core of this stack whose initiatives have transformed financial inclusion. There are 5 key technologies that are very popular in the fintech growth of India such as Blockchain, Artificial Intelligence (AI), Security, Internet of Things (IoT) and cloud ("B.A.S.I.C")

The poster can cover any of the following ideas.

1. **The Bharat Fintech Story.**
2. **Fintech in a Day: A Visual Journey.**
3. **Blockchain or Distributed Ledger Technology (DLT).**
4. **The Digital Revolution and Robo-Advisors.**
5. **India at the Forefront of Fintech Revolution.**
6. **Paytech, Lendtech, B2B, Payments.**

- Posters must be made on white chart paper of 22" X 28" size with each participants name, class, college and contact number written at the back of the poster.
- Only **five** entries are permitted per College & Last Date for submitting posters : **6/2/2025**
- **First Prize : ₹2,000/-** • **Second Prize : ₹1,000/-** • **Third Prize : ₹ 500/-**
- In-Charge: Prof. Pradnya Nikalje -9987280169 Prof-Kavya Mathrani -7057197051

### Note for Participants:

1. Registration is mandatory for participation.
2. For Global leaders meet participants may select the country of their choice and inform the coordinator to avoid the duplication of the country.
