

Botany Department

Faculty member	Name	Designation	Qualification
	Margshree P.Bhat	Lecturer	M.Sc, B.Ed

Objectives:

The course introduces students to the importance of plants as an integral part of existence on the planet. It is imperative to internalise fully the fact that human existence depends on plants and hence, the necessity to conserve nature is the need of the hour.

Background of Department:

The Department of Botany was established in 2010,

The department offers UG courses for FYBSc in the combination of CBZ, PCB

Annual Programs:

- Plantation drive in college campus
- Anemia health camp
- Herbal cosmetics workshop
- BMI testing
- Fascinating world of science
- Best out of waste
- Plastic collection drive
- Field visit Rice research station, Karjat; Sagar Udyaan, Coloaba HTC, Pune, B.Sc students had a real world experience in observing wild plants of different forest strata in this trip. Students observed a broad view of dry, deciduous tropical forest structure.
- A few activities are conducted at the end of the each semester which are relevant to the topics covered. Algal collections, mushroom cultivation, visits to tissue culture labs, plant collection trips, project works, maintenance of plant diversity on campus are few of the activities. These activities enable the students to study the subject outside the classroom environment.

Achievements by Department:

Received Appreciation for initiating plastic collection drive in college campus. The Joint effort of this activity was appreciated by Maharashtra times and Sakkal newspaper.

Current status :

1. Amphitheatre in college campus where nature related practical's conducted often.
2. Well equipped laboratories
3. Medicinal Botanical garden
